HARLEM JOCKEY CLUB ENTRIES.

Fourteen hundred and seventy-five nominations were made to the twelve stakes of the Harlem Jockey Club which closed February 18. In making this announcement Secretary Nathanson claims to have reached the highest mark ever noted for events of this kind. The recently closed stake lists of the three principal Chicago tracks present these figures:

	No	No	Average
	Stakes	Entries	Per Stake
Harlem	12	1,475	123
Washington Park	17	1,912	112
Hawthorne	12	1,039	88

The table shows a general increase over the figures for the identical stakes of 1902. What is fully as important, it indicates a certainty of sport of the highest grade for the coming season.

Harlem received more entries for twelve stakes this year than Washington Park did last year for seventeen stakes. The total is the largest on record for stakes of the kind, in spite of the fact that Washington Park received over 500 more entries this year than it did last season. Eleven out of the twelve Harlem stakes have more than 100 entries each, the exception being the M. Lewis Clark. Its list is confined for the most part to horses entered for the Derby. Each of the stakes, with one exception, shows a great increase in numbers over last year. The exception is the Petite, a race for two-year-old misses, and it has just six less than were named for the event last year. The five stakes for two-year-olds have a total of 582 nominations, an average of 116. The five stakes for three-year-olds and upward have a total of 703 nominations, an average of 141.

Some features of unusual importance are shown by the details of the present Harlem stake list, a resume of which follows:

For three-year-olds and upward.

	Entries	Entries	Entries	Value with
	1903.	1902.	1901.	Starters.
Harlem National	113	97	105	\$10,000
20th Century	134	101	94	8,260
Chicago	152	113	109	4,020
Austin	166	145	121	3,660
Garden City	138	131	129	3,880

For three-year-olds.

M. Lewis Clark	86	76	85	3,510
Riverside	104	99	87	3,040

For two-year-olds.

Petite	102	108	89	3,020
Graduate	110	100	86	3,100
Youngster	128	106	106	3,280
Proviso	121	120	97	3,210
Junior	121	112	91	3,210

Total	1,475	1,308	1,199	\$52,199
Average per stake	123	109	100	4,350

This showing is particularly gratifying because several of the heavy nominators of last year are absent, notably John W. Schorr and Tichenor and Newgass. Schorr may race at Washington Park but his campaign will mainly be in the east. Tichenor & Newgass made no entries at Harlem, presumably this resenting last year's ruling of the officials of that track, which barred their horse Lacrimae for inconsistent running. The nominations from unexpected quarters, however, exceed expectations and much more than make up for the absentees. There can be no question as to the superior quality of the material shown in the Harlem offerings of this season as compared with the best class that participated in last year's sport. All the great stables of the west and south, with the exceptions noted, are represented through the lists in a way that indicates their determination to race in Chicago throughout the season, while the representation from the east indicates that some of the large owners of

that section are contemplating racing at a Chicago track, other than Washington Park. In this fact is to be found one of the greatest promises for the future of local racing.

H. T. Oxnard, the sugar magnate, has engaged his Derby candidate, Standard Bearer, in the Harlem National, the \$10,000 race, and the Clark Stakes; James R. Keene, the financier and official of The Jockey Club, is represented by the entries of S. W. Streett; H. M. Ziegler, the former owner of Hermis, has Luke Ward and New York II, his Suburban candidates, in the Twentieth Century Handicap indicating a fall visit here, besides entering three two-year-olds; Frank Farrell has the famous Blues in the Harlem National and Twentieth Century; M. J. Daly is represented by the American Derby candidate and California Derby winner, Claude; W. L. Oliver has Lord Badge in the National and Twentieth Century; Capt. S. S. Brown, the Pittsburgh coal baron, is represented in the principle events, and J. P. Croker, J. S. Stewart and M. Jordan are other eastern owners in the list of nominators.

In all 202 different stables are represented in the nominations. Among the largest nominators are E. Corrigan, with 69; Fred Cook, 68; J. A. Drake, 58; C. R. Ellison, 58; G. C. Bennett, 54; P. Dunne, 53; Durnell & Herz, 53; S. C. Hildreth, 52; B. Schreiber, 48. Burns & Waterhouse, who expected to race exclusively in the east this season, sent on entries from California and will probably race at Harlem Park, either going or coming—and perhaps both. The rare quality of the material to be seen hereabouts this season can be found in the numbers named by the foregoing owners as well as those of Middleton & Jungbluth, George J. Long, James Touhey, Caesar Young, W. H. Laudeman, E. S. Gardner, Talbot Bros., W. S. Barnes, Clay Bros., Woodford & Buckner, D. S. Fountain, Gorman & Bauer, J. B. Respass, C. H. Smith, J. C. Cahn, T. The renewal of the M. Lewis Clark Stakes will again be important in its relation to the American Derby. It is for three-year-olds at nine furlongs, and this year shines with 86 entries of the choicest class, of which no less than 65 are candidates for the big derby. Last year the Clark had 76 entries, of which 46 were derby eligibles. Among the eligibles that are not also in the derby are Epicure, the California horse that is considered one of the best of his years now in training there; Esherin, John F. Schorr's Oaks winner; By Ways and Flying Ship. The race will be run June 13, and a complete list of its nominations is as follows, the stars indicating the American Derby eligibles:

M'CHESNEY TO GO EAST.

Durnell & Herz have sold McChesney to E. E. Smathers for the reported price of \$30,000. This is fortunate in that it almost certainly assures his going east next summer to meet Hermis. The lucky Saratoga Club will, no doubt, fall heir to the most sensational race of the year, provided always that both horses remain in good form. McChesney can be entered in a number of rich stakes at Saratoga, and also in the fall stakes at all of the New York tracks. He is now heavily engaged at Memphis, Nashville, Louisville and Chicago, and will probably fill most of his western engagements before being taken east. He can do that with ample time left in which to take him on to Saratoga for a rest before the meeting there opens. If he is entered in the \$12,000 Saratoga Handicap we shall know how Mr. Vosburgh rates the two crack four-year-olds comparatively and his assignment of weights will be looked forward to with decided interest. In the meantime, if the big chestnut continues to do well, we shall see him in action here long before he goes east to battle for the championship of 1903.

WORTH JOCKEY CLUB STAKES.

With the Washington Park, Harlem and Hawthorne Stakes all closed and their entries published, local interest will now attach to the good list of stakes prepared by Secretary Ed Jasper for the Worth spring meeting. They close for entries next Tuesday and should attract entry lists in line with the remarkable showing of the other three local clubs. The eight stakes offered are all well endowed with added money and provide for all ages of horses. Their terms are fully set forth in the advertising department of this issue and owners and trainers are asked to consider them carefully and patronize them generously. The list is as follows:

For Three-Year-Olds and Upward.

The Worth Handicap, \$3,000 added, 1 1-16 miles.
The Powers Handicap, \$3,000 added, 1 1-8 miles.
The Orland Stakes, selling, \$1,000 added, 1 mile.
The Flying Handicap, \$1,000 added, 3-4 mile.

For Three-Year-Olds.

The Calumet Stakes, \$2,500 added, 1 1-16 miles.

For Two-Year-Olds.

The Evergreen Stakes, \$1,500 added, 5-8 mile.
The Admiral Stakes, colts and geldings, \$1,000 added, 5-8 mile.
The May Blossom Stakes, fillies, \$1,000 added, 4 1-2 furlongs.

GOSSIP OF THE TURF.

W. C. Whitney has been very fortunate so far at his La Belle Stud. His one hundred head of broodmares and grand array of stallions have wintered well. There have been quite a number of foals at the farm so far, and the majority of the youngstres are colts.

Because of the withdrawals of all of the horses that had received more weight than him, Conroy II, owned by Foxhall P. Keene, is top-weight in the City and Suburban Handicap. The winner of the Brooklyn Handicap in 1901 will carry 126 pounds, the English rules providing that in case the highest weight accepting is not 126 pounds, the impost of the highest accepting weight shall be raised to 126.

Went to post at 2:01. At post 3 minutes. Start good. Won driving; second easily.
Mollie T. displayed the most early speed and favored by the going opened up a winning gap in the first furlong, but tired in the stretch and was driving to the limit at the end to stall off Musical Slipper. The latter began slowly, but closed up a big gap and finished fast. Katie Gibbons was crowded back at the start and ran a winning race. Balra of Gilead was as good as left. The Bronze Demon quit when called on strongly. Ringdove tired after going a good quarter.

Scratched—37118 Redan, 109.
Overweights—Katie Gibbons, 1½ pounds; Rastus, 4.

Winner—Ch. c. by Golden Garter—Stella (trained by A. C. McCafferty).
Went to post at 2:31. At post 1 minute. Start good. Won easily; second the same.
Star and Garter was best and made a show of his field. He had an outside position at the start, broke well in motion, and opened up a winning gap before the others got to going and was eased up in the last quarter. Fair Lass was ridden all over the track. She was on the inside at the far turn, but was taken very wide into the homestretch. Brookston tired, but came again at the end and outgamed Kiwasa when it came to a hard drive and got third place in the last stride. Kiwasa ran well to the stretch.

Overweights—Sapere, 4 pounds; Queen of the Ocean, 5.

Winner—Ch. f. by Mirthful—Response (trained by S. C. Hildreth).
Went to post at 3:01. At post 2 minutes. Start good. Won easily; second the same.
Witfull ran as if she outclassed the field, was at home in the going and made a runaway race of it. Ben Chance closed up a big gap and finished fast. Bud Embry was under restraint for the first half, but tired in the stretch run. Jessie Jarboe seems to have lost her good form and quit after going a half.

Winner—B. f. by Albert—Marie, by Glenelg (trained by J. A. Gray).
Went to post at 3:36. At post 4 minutes. Start good. Won handily; second easily.
Amigari, well ridden and lucky in escaping early interference, wore the leaders down while rounding the far turn and outgamed St. Tammany when it came to the final drive. The latter was as good as left and closed up a big gap, but the effort told on him at the end. Amigari had crowded him to the outside rail in the last hundred yards. Josette was on the extreme outside all the way and ran fairly well. Scorpio had the outside position at the start and displayed early speed, but was used up in racing If You Dare and Bummer to defeat in the first half. They all tired in the stretch run. Allyar stumbled and fell at the far turn.
Scratched—37633 Henry McDaniel, 105.

Went to post at 4:09. At post 5 minutes. Start good. Won cantering; second easily.
Thane quickly ran into the lead and opened up a winning gap in the first quarter and the others could never get near him. Latson ran along in second place for the entire trip and was easily second best. Ceylon ran a poor race and can do better. Thane was run up to \$2,400 and bought by S. C. Hildreth.

Ahumada was much the best, raced Decoration to defeat in the first half and had enough left to stall off a challenge from Marshal Neil in the stretch run. The latter showed improved form, but tired after getting up to the leader. Fon Spray ran fairly well. Floyd K. got tangled up in the barrier at the start.

CAPITAL \$50,000.

No. 928 Canal St., New Orleans, La.

Reference, State National Bank, New Orleans, La.

No. 230 Broadway, New York.

SPECIAL NOTICE.

The Maxim & Gay Co. believes it judicious at this stage of its long and useful career to point out to the unsophisticated that there is nothing in common between the methods of the Maxim & Gay Co. and those of the so called get-rich-quick turf concerns, which recently went to smash and buried their promoters in obloquy. Our methods are strictly honest, are founded on business principles and have long since been endorsed by the most prominent and influential racing men of the country. We engage the best force of track experts money can bring together and spend as much money as we can consistently to unearth stable secrets. This information we have sold for nearly three years to thousands for \$10 per week. And to play this information at New Orleans we have for the first time in the history of the company invited our friends and the racing public generally to send us their money to bet for them. We never did it before. The necessity for this sprang from the fact that if our experts' selections are not kept secret at New Orleans before the races are run the information would prove almost valueless from a betting standpoint. We are pleased with the results of our experiment and the country's racing votaries attest their gratification by their growing patronage. The Maxim & Gay Company is in the legitimate business of buying and selling information on running events. It does not guarantee anything beyond the one fact that clients acting under its guidance are always furnished with the best information obtainable on the race courses. We put our subscribers on the same footing with owners, trainers and the heaviest of the bettors at any track where we operate. We know as much as the most knowing and market that information to individuals at ten dollars per week. In effect our system is to syndicate the information for which we pay a price beyond the means of any single individual operating on the turf. Needless to say, we make a handsome profit by the transaction. We guarantee nothing to our clients except that the wagers placed for them are always played upon those horses which are selected by a corps of the most capable and highest salaried experts obtainable in this country, which is a guarantee that can be honestly made and honestly fulfilled. The Maxim & Gay Company has a cash capital of \$50,000, is built on permanent lines, and will survive as long as the American turf endures.

GRAHAM RICE, President.

\$20 WON \$772 LAST WEEK.

We are going easy and there's no chance to head us.

Since the New Orleans meeting began we have constantly insisted that here we would put our clients on to the killing of their lives, and we have done so. For six racing days we have been in possession of such information and have so handled the money of our clients that an investment of twenty dollars by us on each of the three daily selections of our corps of experts has netted the subscriber seven hundred and seventy two dollars. Clients investing larger amounts on each race have won accordingly.

Last Week's Record Complete

Here follows a complete record of the three daily selections played by us for our clients for the racing week ending Friday night. Every loser as well as every winner is accounted for and a showing is made of the result of a \$20 play on each selection.

Three Thousand Clients with Us.

Such a slaughter as this has never been known in the New Orleans betting ring, and it was the following of the Maxim & Gay Company only who got the money at New Orleans last week.

Our Cherries are Red Ripe Now.

Always we have been conspicuously successful in picking winners in the closing days at New Orleans. Our clockers and handicappers have never failed us at this particular season here. For the remaining three weeks of our meeting our experts are confident they will have almost every day such winners as

Royal Deceiver, 7 to 1, Won
Arachne, 8 to 1, Won
Thane, 7 to 1, Won

If you have not been a sharer with us in this game ring of good things you should get in line while the flood tide is on and prospects are so brilliant. No period was ever more propitious. At no time did the problem of picking winners appear more easy than now. Now is the harvest time.

OUR TERMS AND CONDITIONS:

We do not wire selections to anybody before the races are run, because we must guard against leaks. To get a good price in the betting against our selections, secrecy is necessary. As a guarantee of good faith, however, our selections are mailed to all subscribers before the races and bear a postmark earlier than the running of the first race we play. Send us your commissions and we will play them for you through our commissionaires in New Orleans and Hot Springs, who guarantee closing odds according to the New York Daily America. Terms for information: \$10 weekly, in advance. Commissions handled in multiples of \$30 on the following basis: A betting account of \$30 ensures a \$5 play on each of our three horses daily; \$30 ensures \$10 on each, and so on. Always send one week's information fee along with betting accounts. We play accounts continuously until ordered to discontinue, deducting \$10 in advance each week for information fee. Checks mailed weekly for profits with statement of accounts. If you telegraph your subscription fee and betting account, be sure to send a separate telegram advising us what amount to play for on each race, and give your full name and address so we can mail you selections before the races are run on which your money is played.

The Twentieth Century Handicap contains practically all the horses entered in the Harlem National, the \$10,000 race, entries to which were made public Wednesday by Secretary Nathanson. Among those in the Twentieth Century that are not in the National, are Scintillant II., the English bred horse which won the race last year and established a new American record for the distance; Early, P. Dunne's fine colt; John Bright, which won the Harlem Handicap, and other stakes last year and Wainamoinen. The greater number in the Twentieth Century over those in the National is due to the fact that it is run in the fall when the combined strength of all stables will be in Chicago. The Twentieth Century list follows:

The class of performers attracted by the high prizes attached to the Harlem National, Twentieth Century and Garden City Handicaps, the popular Chicago Stakes and the Austin and Riverside selling events is far ahead of that drawn by the same races in previous years. The handicaps are among the richest in the country and the Garden City is a dash for sprinters that always enlists the speediest short-distance runners of the day. It has the following entries:

Of the 582 nominations to the two-year-old stakes, it may be said that they will contribute toward making these five events and the overnight dashes for that class the most interesting in the west, because of the record number of entries and the large array of stable interests they represent. All the youngsters of prominence that have appeared at this early date are entered, and the fact that all of the big nominators printed in the foregoing list have been liberal in naming their two-year-olds, bears out the prophecy that no colt or filly that indicated superior speed as a yearling has been left out. Aside from this there can be no line as to the form of the sapling racers at this time.

Secretary Nathanson has been as fortunate this season as last in his efforts to induce owners to hand in the names of their two-year-olds, and in this detail the Harlem Park stake book will be of special interest. The secrecy that usually envelopes the identity of the youngsters trained by the leading western owners will be removed by this publication.

The season of racing at Harlem Park will be one of forty-three days only, but the program of stakes, overnight handicaps and purses will call for the distribution of over \$200,000. Purses will be increased in value and an effort made to maintain the cross country sport to a high standard and in keeping with that on the flat. Ten or more stakes for decision during the fall meetings will be announced in July.

SOME CRACK HORSES.

Concerning some of the noted horses that have passed the winter at Cumberland Park, a recent letter from Nashville says:

"Wyeth has developed into a powerful piece of racing machinery, and is sure to prove a much better horse than he was when he captured the Washington Park classic last year. At least, that is what his trainer, Enoch Wishard, thinks. Wyeth has grown some and has spread out no little. He is compactly built, of good conformation and well balanced. Wyeth was turned out after the Westchester meeting and occupied a paddock adjoining Cumberland Park until recently, when he was taken up and placed in training. The horse is high in flesh at present, and will not likely race until he reaches Chicago. He is being pointed especially for the big handicaps at Washington Park. Wyeth is not a candidate for the Brooklyn or Suburban Handicaps, owing to the fact that he will not be taken east until after those races are decided. Runnels, Wyeth's stable companion, has also developed into a big horse of good conformation, and the fact that he won his last five races as a three-year-old stamps him as one of the best in the Drake barn. Runnels is practically in the same races as Wyeth, and it

is likely that these horses will uphold Drake's good record in all of the overnight events.

"The best liked horse here, and considered by many to be the best in the allage division, is Glen Water, Turney Bros.' Suburban candidate. Glen Water was an exceptionally good three-year-old, having won many races last season. He has grown a great deal in his four-year-old form and is a grand looking individual. He stands over fifteen hands high, is broad across the hips and possesses a large body. He has a well developed chest, which signifies a good heart. Glen Water is also eligible for the Montgomery Handicap, to be run on the opening day of the Memorial meeting, but it is not likely that he will be sent on to participate in that event. However, if he is ready he may be shipped to Montgomery Park. The son of Wawekus and Feronica will probably make his debut in the Citizens' Handicap, to be run at Nashville. Mr. Turney has him pointed for this event, and if he shows anything like his three-year-old form he will be shipped to New York to start in the Suburban, for which race he has been assigned 108 pounds.

"Red Robe, winner of two Derbys—Cumberland and Canadian—besides several other races, in the stable of George Hendrie, is looked upon by many as a horse that will race well in his four-year-old form. His first appearance will be in the Citizens' Handicap, after which he will be shipped to Toronto, where he is nominated in many of the big races. Red Robe defeated Aladdin, George Bennett's crack, in the Cumberland Derby, besides Circus, Buccleuth, Crimean and others. His next start was in a handicap at Toronto, when he shouldered 128 pounds and beat a high class field. A few days after he was sent a mile and a quarter, with 120 pounds in the saddle, and won. His winning list was concluded in the Canadian Derby, which he won handily. Red Robe will be placed in the stud at Mr. Hendrie's breeding establishment, Royal Oaks, near Detroit, at the conclusion of his racing career.

"Gorman & Bauer place their dependencies for the big handicap in Jack Rattlin. This horse has wintered well. He is a little-big animal, compactly built and well developed. As a three-year-old he was a sprinter pure and simple, and a good one, too. Trainer Bellew believes he can go a route, and is training him accordingly."

GOSSIP OF THE TURF.

T. Magee has shipped L'Etrenne and Artena to Mr. Corrigan's farm, near Lexington. L'Etrenne will be bred to Marta Santa, a son of Don Castro, and Artena will be bred to Scintillant II. Planudes and Corblett's Bay will also go to the farm. Planudes is a son of St. Simon, that Mr. Corrigan thinks highly of. He will be bred liberally this season. With the lot, Albert Simons sent his three-year-old mare, Lady Sterling, to be turned out, and W. Roller shipped Lennep, to be bred to one of the Corrigan horses. It is doubtful whether L'Etrenne will be raced again, but Artena may be put in training later in the season.

The great race mare Senorita, owned by S. S. Brown, and for which the Pittsburg coal king's Kentucky stud farm is named, is believed to be safe in foal this year to Woolstrophe. Senorita was barren last year, and her filly foal by Ben Brush, which would now be a two-year-old, died as a suckling, so in recent years Brown has had none too good luck with this famous daughter of Prince Charlie. She is in perfect health, and in looks is not surpassed by any brood mare in this country. Senorita is the same age as J. B. Haggin's Salvator.

The horses of T. C. McDowell, at Ashland Stud, Lexington, are being given daily workouts, and are showing well. Allan-a-Dale, last year's Kentucky Derby winner, has wintered well, and his owner has no doubt but he will stand training the coming season, and that he will be a factor in all the big western handicaps. He does not show any signs of the lameness that made his early retirement from the turf necessary last year. Mr. McDowell has great faith in Allan-a-Dale as a sire, and during his short stud season this year he stood to his two famous broodmares Bracegirdle and Countess Irma.

The veteran turfman and breeder, Major G. B. Thomas, has four very promising two-year-olds this season, which he has placed in the hands of Frank A. Jones, the late trainer for George H. Whitney, at Sheepshead Bay. They are: Jim Kelly, b. c. by Dr. MacBride—Alabama; Bridesflight, ch. f. by Dr. MacBride—Highflight; Addie Mills, ch. f. by Farandole—Happy Hour, and Charles Fisher, b. g. by Longflight—Miss Lexington.

Winner—B. c. by Russell—Fancy Remnant (trained by J. P. Fitzgerald).
Went to post at 2:05. At post 3 minutes. Start fair. Won easily; second driving. Landsdown, suddenly improved, was lucky and had clear sailing, caught the leaders tiring in the stretch and finished going away. Nellie Hawthorne closed up much ground from a poor start under a vigorous finish. Alice Cary ran as if short and tired badly after a fast brush with Lady Gallantry. The latter forced the pace to the stretch, where she tired under a weak finish. Midlove was prominent throughout and should give a good account of herself later on. Horatius was wearing the leaders down in the last furlong, but did not run his race.
Scratched—(37673)M. F. Tarpey, 118; 37462 Educate, 106; 37637 Honeysuckle, 101.
Overweights—Horatius, 2 pounds; Master, 1.
Landsdown, show, 8 to 5. Nellie Hawthorne, show, 3 to 1. Alice Cary, show, out.

Winner—Br. h. by Watercross—Lizzie Hampton (trained by G. Miller).
Went to post at 2:33. At post 3 minutes. Start fair. Won in a canter; second easily. Sir Hampton got away in his stride and led unextended throughout. He is evidently in good form and far outclassed the field. Alado, crowded back at the half, closed up very fast and is a genuinely improved horse. David S. gave evidence of soreness before the race, but followed the winner's pace closely for the first half and fell away in the final drive. Light Ball found the pace too fast. Oriana got away poorly and was always outrun.
Scratched—37613 Irma A., 102.
Overweights—Oriana, 5 pounds; The Hoodoo, 3.
Sir Hampton, show, 1 to 4. Alado, show, 6 to 5. David S., show, 2 to 5.

Winner—Br. c. by St. George—Sallie McAllister (trained by T. G. Ferguson).
Went to post at 3:00. At post 6 minutes. Start good. Won easily; second the same. Bearcatcher won as if he outclassed the field, came away in the first sixteenth as if the other two were anchored and finished out with plenty in reserve. Cascine was as easily second best and put up a game but unavailing effort to beat the winner and is far above the average, with preference for a longer route. Knobhampton, which has recently worked fast, was crowded and outrun after going a good furlong and tired badly under a whipping finish.

37688 FOURTH RACE—1 Mile. Purse \$1,000. 3-year-olds and upward. Handicap.

Winner—B. c. by Darebin—Felukah (trained by C. W. Carroll).
Went to post at 3:29. At post 2 minutes. Start fair. Won easily; second driving. Epicure received a poor start, but raced into a good position behind the pacemakers and moved up like a flash on the stretch turn and passed them as if they were anchored in the stretch, winning with plenty in reserve. He is a high class colt. Yellow Tail forced a fast pace for seven furlongs and held on unexpectedly well in a driving finish. Leader went hopelessly wide on the stretch turn after trailing the field for the first six furlongs, and under a very bad ride swerved to the outside fence in the last furlong. Kenilworth was simply up against it at the weights and distance and retired after following the pace closely for six furlongs and was eased up at the end.
Epicure, show, out. Yellow Tail, show, 1 to 3. Leader, show, out. Kenilworth, show, 2 to 5.

Winner—Ch. g. by Flambeau—Experiment, by Cyrus (trained by P. E. Smith).
Went to post at 3:55. At post 1 minute. Start fair. Won driving; second the same. Expedient ran well, but scored a lucky victory due to the slow pace, aided by Burns' vigorous finish. Autolight appeared like winning easily in the stretch and was best, but received a bad looking ride and weak finish. Royalty, ridden with bad judgment, trailed for a half and went into the lead in a few strides, making a wide turn, but was outstripped in the last quarter under a bad ride. Dagmar made the running for half the journey on sufferance and finished close up, which makes the race a bad one. Colonel Ballantyne favors soft going and is out of form.
Overweights—Expedient, 4 pounds; Duke of York, 5.

Winner—Ch. c. by St. Carlo—Sunlit (trained by H. E. Rowell).
Went to post at 4:43. At post 1 minute. Start good. Won easily; second the same. St. Sever recovered good form suddenly, was reserved within striking distance for six furlongs, made good with a fast stretch run and won going away, and is a much improved horse. Constellator forced the pace hard held to the stretch, where he failed to stay. Antolee helped to beat the favorite and tired herself after racing a good six furlongs. Illo- waho ran a bad race and retired at the half.
